Advance-Nilfisk Parts - Imagine how long and tedious it will really be to tidy up after a party, with out assistance from machines. Previously, the dirt from upholstery and carpets had to be beat out of them manually; brushes, cleaning cloths and brooms were the leading cleaning products during that time.

P.A. Fisker, the founder of Nilfisk-Advance, was actually an electrical engineer who loved working with electrical motors. Founding the business in 1906, he started to make motors in order to drive fans, machine tools, coffee grinders and drills. Mr. Fisker's vision from the start was to have a worldwide company advertising merchandise worldwide.

The Nilfisk C1 was a tremendous breakthrough for the cleaning trade. This ground breaking vacuum cleaner, invented by Mr. Fisker, weighed just 17.5 kilos and could be operated by a single person. This creation came in a time where numerous cleaning equipment were very big and needed 4 or more operators, hence, the Nilfisk C1 transformed everything and evolved the way we clean forever. The mastermind behind these very first cleaning equipment remains unparalleled. Cleaning equipment provide a brilliant solution to an ongoing problem; things get filthy and must be cleaned frequently, without a lot of effort.

Little by little, the business Nilfisk-Advance expanded throughout the years. During the early nineteen eighties the business developed fast when the company became a part of the NKT Group. With new owners on board, they concentrated on driving Nilfisk-Advance forward within the business, aspiring to be an active worldwide player in making professional cleaning equipment. Nilfisk-Advance is presently located in all parts of the globe by gradually obtaining a lot of small companies to be able to expand their product range and presence in new markets. They are really proud to provide different cleaning solutions to suit each and every requirement.
