

American Lincoln Parts

American Lincoln Parts - Currently linked with Nilfisk Advance Industrial Group, American Lincoln specializes in industrial floor cleaning machines. Within the business they are recognized within the industry as providing strong and durable machines that suits all the requirements of heavy industry and larger infrastructure. American made products; the sales are conducted nation- wide through national accounts, authorized distributors and direct Government sales.

The Clark Company, of Nilfisk Advance, and American Lincoln share the battery operated walk behind model of floor scrubber. Clark has their manufacturing facilities in Springdale Arkansas. These scrubbers are on the market under the trade mark name "Encore". American Lincoln can provide warranty service, machinery and components for these kinds of scrubbers that carry both the Clarke and Encore logos.

Distributed in Target and Wal-Mart distribution centers, the 7765 floor scrubber model is the highest selling floor scrubber in American Lincoln's line and the 7765 has become a trusted model for numerous facility supervisors where efficiency and results make a difference. Lately, this particular floor scrubber model has been requested by the architects in new construction jobs like Home Depot's and Lowes Home Improvement Stores. Flooring contractors use this particular sweeper scrubber on site because of the model's excellent quality and utmost performance level for polishing concrete.
