

Trek Parts

Trek Parts - TREK Cleaning Machines is a machine maker who is passionate about the cleaning business. The company's founders, Chris Knowlton, Bob O'Hara and Jim Hartsock, have more than 60 years combined experience with effectively manufacturing, designing, developing, marketing and providing customer support. The company's innovative flair is a reflection of the entrepreneurial style of the founders. They really believe in delivering true value to their customers and are devoted to giving top quality and new design concepts in order to meet the diverse requirements of their clients.

In their product development; TREK Cleaning Machines always provides fresh design ideas. They like offering items which energize both their dealers and their partners and provide production gains to their clients.

The team at TREK likes tackling new challenges and tasks. They are proud to introduce their new Torsion scrubber line and all of its breakthrough technology. This line was motivated by the comprehension of operators' skills and requirements along with their comprehension of cleaning applications, together with owners' strong desire to significantly lower cost through productivity gains.

When required, the employees within TREK and its numerous dealer members in both parts and in technical support would be obtainable. Amongst their core values is their high service commitment in their customer service. Keeping their clients' cleaning equipment working and ready on a daily basis is top priority. The company's top of the line technology delivers dependable machine that eventually lowers your cleaning cost. The product, the price and the service all work together in order to make them an industry leader.
