

Fork Mounted Sweeper

Fork Mounted Sweeper - This accessory actually makes industrial sweeping jobs a lot easier to finish. The versatile lift truck mounted broom is designed for use with either wet or dry material clean ups. It can squeegee water and push snow without difficulty. This attachment is usually utilized to clean trash from construction sites, docks, parking lots, warehouses and practically anyplace it is required. The forklift sweeper is a low maintenance accessory that make use of quick-tite tine products to easily connect to the lift truck.
